Learning this week

English Language Arts

We have classroom rules and procedures down so we are starting our first week of actual 3rd grade curriculum. We will begin reading *The Cas of the Gaspin Garbage* while focusing on determining word meaning, describe sequence of events, and distinguishing point of view.

Math

We will begin our unit on understanding multiplication and division of whole numbers.

Science

We will begin week 1 in Studies Weekly-Physical Science- A World of Science. Students will learn about the discovery of science around us.

Social Studies

We will begin week 1 in Studies Weekly- Getting Information. Students will read articles online about sources and map elements.

homework

READING- Continue to read books to complete the Genre Challenge. At least 20 mins of reading each night.
MATH- Daily Review 1-1 through 1-4 that will come home Monday in the S.W.E.E.T folder. Due Friday.

upcoming assignments

- There will be optional math review homework online each week. This is through Pearson Online and will cover the topic we are currently working on in class.
- When a student has finished reading a book from the challenge they can earn their sticker by completing an activity from one of the 4 options in their S.W.E.E.T folder.

note from the teacher

HAPPY BIRTHDAY to Carlos on Monday!

I am getting logins together this next week and will send out instructions to follow us online from Google Classroom! Yay!
