Learning this week

English Language Arts

We will continue to read *The Case of the Gasping Garbage* while focusing on how to recount a story and determine a central message. There will be a Unit Test on Friday.

Math

We started Topic 2 this week and will continue into next week. We will focus on multiplication patterns 0, 1, 2, 5, 9, and 10.

Science

We will begin *Studies Weekly- Exploring the Universe*. Students will find out about the Milky Way, comets, and black holes.

Social Studies

We will begin *Studies Weekly- Our Government*. Students will learn more about how our government runs in the United States.

homework

READING- Continue to read books to complete the Genre Challenge. At least 20 mins of reading each night.
MATH- Daily review 2-4 through 2-6
SCIENCE- Begin the Solar System Project.

upcoming assignments

- * There will be optional math review homework online each week. This is through Pearson Online which is found in Google Classroom.
- * When a student has finished reading a book from the challenge they can earn their sticker by completing an activity from one of the 4 options in their S.W.E.E.T.

note from the teacher

HAPPY BIRTHDAY to Leila who had a birthday on Sept 5th.

If you are able to support our class using Nearpod this year please let me know!
