Learning this week

English Language Arts

We will begin to read *Treasure in the Trees* while focusing on how to determine the meaning of words and phrases as they are used in text.

Math

We will start Topic 3 which focuses on multiplication facts for 3, 4, 6, 7, and 8.

Science

We will begin *Studies Weekly*- Our Planet Earth. Students will "dig deep" to learn about the layers of the Earth and different types of rocks.

Social Studies

We will begin *Studies Weekly*- Hispanic Heritage Month. Students will learn more about famous Hispanic Americans in history and how they impacted our lives.

homework

READING- Continue to read books to complete the Genre Challenge. At least 20 mins of reading each night.
MATH- Daily review 3-1 through 3-4
SCIENCE- Begin the Solar System Project.

upcoming assignments

- * There will be optional math review homework online each week. This is through Pearson Online which is found in Google Classroom.
- * When a student has finished reading a book from the challenge they can earn their sticker by completing an activity from one of the 4 options in their S.W.E.E.T.

note from the teacher

HAPPY BIRTHDAY to Kaylee on the 17th!

Thank you for all the donations for Nearpod! We have tons of cool lessons coming soon thanks to you!!!
