FIELD TRIP TO BOK TOWERS

## Learning this week

## homework

### English Language Arts

We will continue reading *Treasure in the Trees* while focusing on what plays are made of.

READING- Continue to read books to complete the Genre Challenge. At least 20 mins of reading each night.  
MATH- Daily review 4-1 through 4-4

### Math

We will begin Topic 4- Multiplication to Divide. We will begin our Multiplication Facts timed tests.

## upcoming assignments

### Science

We will begin *Studies Weekly- Solids/Liquids/Gases*. Students will learn about the differences between solids, liquids, and gases.

- \* There will be optional math review homework online each week. This is through Pearson Online which is found in Google Classroom.
- \* When a student has finished reading a book from the challenge they can earn their sticker by completing an activity from one of the 4 options in their S.W.E.E.T.

### Social Studies

We will begin *Studies Weekly- Civic Virtues and Reporting the News*. Students will learn about being a good citizen.

## note from the teacher
